### Deuteronomy 6:10-15

The book of Deuteronomy is Moses' last message to his people before he was taken up into heaven. He was concerned that Israel would forget who provided for them. He was especially concerned that the people would begin to believe their material wealth came from their own hand. As God's Holy Spirit guided Moses he warned his people about turning away from God. The negative consequences of such a decision include much suffering, a return to slavery, and even death.

The warning is issued a second time. **Deuteronomy 8:11-14**

And a third time with harsher consequences. **Deuteronomy 8:18-20**

Israel knew that God owned all things. **Leviticus 27:30-31**

Yet, they were unfaithful. **Malachi 3:8-11**

God is patient. **2 Peter 3:8-9**

After hundreds of years. **2 Chronicles 36:20-21**

What about the New Testament? **Matthew 23:23**

God is our source and supply. **2 Corinthians 9:6-8**

Yes, God loves a cheerful giver. Jesus commended the Pharisees for tithing their garden herbs. At the same time he reprimanded them for overlooking the more important matters of the law: justice and mercy and faithfulness. For those who lived under the law tithing was their standard. I believe that since we live under grace tithing is a good beginning. God has given us all things that we have and we should be generous with what he has given us. I have always been hesitant to say too much about money. I never want the world around, or our people, to believe that the church is all about money! However, the material things God has supplied have a purpose. The greatest gift of God is Jesus Christ our Lord. The least we can do is return to him a portion of what he has given us. Are you doing what God would have fugitive financially? If not, why should you expect God to continue to bless you?
